Carroll3

The Carroll3 Program at Carroll University allows students in select majors to graduate in three years, offering a 25 percent savings on the net cost of an undergraduate degree. This results in less student loan debt and an additional year of earning potential by completing college early.

STEM-Designation

Carroll University offers several USCIS STEM-Designated programs, allowing for extended OPT. Programs include: Business Analytics, Aviation Science and Drone Technologies, Chemistry, Video Game Design, Mathematics, Mechanical Engineering and Industrial & Systems Engineering.

Bilingual Advantage

International students who are required by Carroll to demonstrate English proficiency can receive 16 elective credits for exceeding the University benchmark on an approved English proficiency exam and completing ENG170 with a grade of B or higher.

Guaranteed Scholarships

Every International student is guaranteed \$25,000+ per year in Scholarships, Plus on-campus employment.
